

I was encouraged to share my gift of singing from a young age and now my music is a vehicle to share my life's journey, testimony and faith.

With a consistent passion for worship, I have sung at various events in the UK and currently serve as one of the Worship leaders at my local church.

In August 2014, I launched my debut EP.

The music, the ministry and the praise and worship of Jesus Christ is delivered in a fused blend of urban, reggae, traditional and R&B expression.

***And all of this is a gift from God, who brought us back to himself through Christ.***

***God has given us this task of reconciling people to him. 2 Corinthians 5:18 (NLT).***

My greatest desire as a worship leader is to see people connect with God as they focus their mind and heart on Him.
